ORIGINAL  
ACRYLIC  
ARTWORKS

Inspired by local landscapes and nature, this affordable collection of 100% original pieces (no prints) is exhibited at The Shire Hall Gallery for the first time.

The artist trained at Falmouth School of Art and Design before completing an Art Degree at The University College of St Mark and St John, Plymouth. They have lived and worked locally ever since.

Each piece bursts with colour and texture and breaks free from the confines of the borders of the frame.
